James Gang Amusements is a multi-faceted fair and admission tickets do not include novelty attractions which will require special admission. Admission must be paid daily before entering the grounds and all persons who have paid and leave the grounds will be required to prove payment of that night's admission before re-entry. Daily admission applies to all patrons entering the fair. No discounts will be given to those choosing not to ride the carnival rides. Those with an official fair pass will be admitted at no charge but will not be allowed to ride the carnival rides.

Children 30 inches and under will be admitted FREE of charge, **HOWEVER**, free admission does **not** include rides. In order for them to ride the carnival rides, they must pay the fair admission. The 30" minimum will allow children to ride a variety of rides.
